## **Granada Getaway, 303 North Main, Granada Owners: Deb & Kevin Kelly**

Granada Getaway is located on a quiet lot at the north end of a small town in southern Minnesota called Granada. It is only 7 miles east of Fairmont off Interstate 90.

Granada Getaway is a beautiful building that once was a Congregational Church whose members became too few to keep it going. In November 2007 it was sold to Deb & Kevin Kelly, owners of southern Minnesota's largest Scrapbooking Store, Picture This! Scrap That! in Fairmont. It has since been gutted and renovated to hold 14 people for a fun retreat. This facility is ideal for many different events. are just a few. The tables/areas can be arranged to suit your occasion.

One half of the proceeds from this weekend will go to support our American Cancer Society Relay for Life team.
